Good Morning

The sun is up,
the sky is bright,
Wake up, children,
with a smile so light.
Birds are chirping,
flowers bloom,
Happiness fills
every room.
Stretch your arms,
the day is new,
Lots of fun is waiting for you!

Tara the Little Turtle

Tara was a tiny turtle who lived near a big pond. All the other animals could run, jump, or fly, but Tara moved very slowly. The rabbits often teased her, saying, "You are too slow, you will never reach anywhere on time!"

One summer, the pond began to dry up. The animals had to travel to a faraway lake to survive. The rabbits ran ahead, but soon they got tired and stopped. The birds flew quickly but got lost in the sky. Tara, however, kept moving step by step without giving up. After some time, she finally reached the lake safely. Seeing her determination, the other animals followed her path and reached too.

◆ **Moral:** Patience and determination always lead to success.
